HOW TO USE THE DIRECTORY

The 1986-87 Hamilton-Wentworth Business Directory has three separate sections to assist you to find the information you require:

Alphabetical Products and Services Index
Alphabetical Company Directory
Standard Industrial Classification (S.I.C.) Products and Services Directory

If you want to find companies that offer a particular product (or service), proceed as follows:

1. Refer to the Alphabetical Products and Services Index and find the desired product (e.g. **Industrial Chemicals**).
2. Next to that product, you will find an S.I.C. code number (e.g. **3170**).
3. Look up that number in the S.I.C. Products and Services Directory. You will find companies associated with that particular product. These companies are listed alphabetically beneath the S.I.C. number.

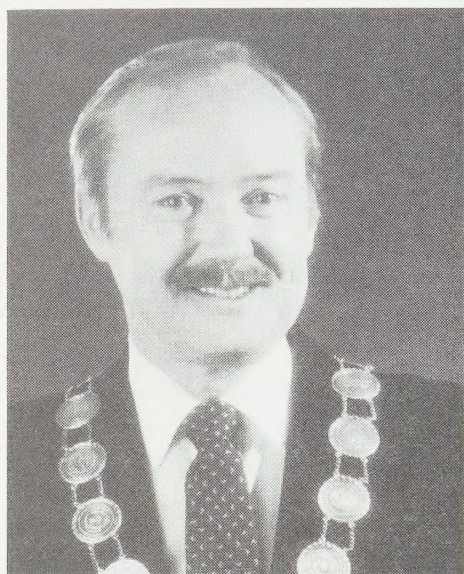

Or, if you are seeking the particulars of a certain company and the product it produces, proceed as follows:

1. Refer to the Alphabetical Company Directory to find, for example, **Diamond Shamrock Chemicals Canada Inc.**
2. Beneath this company, you will find its S.I.C. product code and its page number (e.g. **S.I.C. 370, page 45**).
3. Refer to the S.I.C. Products and Services Directory for that S.I.C. number or turn to the page mentioned and you will find the particulars of that company, including company name, address, telephone, chief executive, year established, number of employees and the product it produces.

Hamilton-Wentworth — Look At Us Now ... A Message From the Chairman

No doubt about it — there is a new palpable spirit, strength and optimism for the future of Hamilton-Wentworth.

This positive attitude has been building gradually over the last few years, spurred by downtown redevelopment, particularly the recent openings of Hamilton's new \$27-million luxury Sheraton Hotel and the \$42-million Copps Coliseum, the latest phase of the Jackson Square downtown development.

The opening of the \$48-million expanded Hamilton Airport at Mount Hope in January accompanied by the federal government's promise of greater use of our modern facility supports this attitude. Last summer, we saw the completion of the \$38-million twinning of the Skyway Bridge, the first stage of transportation improvements slated for the eastern access of the Region. Another transportation improvement the Region will continue to vigorously promote is the extension of the GO Transit system to downtown Hamilton.

Our optimism grows with our excellent economic performance. In 1985, 28 new companies chose to locate or expand in Hamilton-Wentworth. The Region has also experienced an unprecedented growth in building construction. The total value of permits issued in 1985 amounted to \$339.6 million (a 53 per cent increase over 1984) with residential permits topping the list at \$168.4 million, followed by industrial/commercial permits at \$141.9 million. The December, 1985 unemployment rate for Hamilton-Wentworth was 5.6 per cent, one of the lowest in Canada.

I share this optimism about Hamilton-Wentworth's economic future and will do everything I can in my capacity as Regional Chairman to continue to push the industrial and economic growth and general prosperity of this community.

I want to personally greet entrepreneurs and investors, whether they be from Canada or abroad, and invite them to come to the Region and look us over. Regional Council is pledged to cut red tape, prevent unnecessary delays and facilitate a speedy

start-up. Staff of the Economic Development Department has been instructed to assist in all aspects of the investment program, from site selection to start-up.

Local firms are most important for the future economic development of the Region. Estimates vary, but it is generally accepted that 75 to 90 per cent of all new employment and assessment comes from firms already situated in the community. The Economic Development Department works closely with industrial and commercial realtors and developers and maintains an inventory of available buildings and vacant land to assist with moves or expansion within the Region.

Hamilton-Wentworth has superb cultural, educational and entertainment facilities. The Hamilton Philharmonic Orchestra, Theatre Aquarius, Hamilton Place concert hall, Opera Hamilton and Copps Coliseum, to name a few, are attractions that residents of Hamilton-Wentworth and visitors enjoy fully. The list goes on: the fourth largest Art Gallery in Canada, the internationally famous Royal Botanical Gardens, African Lion Safari, historic Dundurn Castle, Stoney Creek Battlefield Museum, the Warplane Heritage Museum and the Hamilton Museum of Steam and Technology are attractions not to be missed.

We are rich in ethnic diversity and commemorate our mixed "roots" with Mardi Gras, Oktoberfest and Festitalia celebrations. Other exciting events in our community calendar include It's Your Day and Festival of Friends in Hamilton, The Peach Festival in Stoney Creek, Cactus Festival in Dundas, and Heritage Days in Ancaster and Flamborough.

When visitors come to our community, they like what they see. They are pleased with our first-class downtown accommodations, our night clubs, and our restaurants with cuisine for every palate. Come and see us. Look at us now.

Wm. L. Sears,
Chairman.

UTILITIES:

NATURAL GAS — Hamilton-Wentworth is served by Union Gas Limited. The firm is connected to the eastern terminus of the pipeline leading to the gas and oil fields of Western Canada. Supply is virtually unlimited.

ELECTRICITY — Ontario Hydro is the producer and bulk supplier to the local utilities. Its rates are low by international standards.

Canada benefits from the availability of domestic sources of oil, natural gas, coal, nuclear and hydro power. The cost of energy is forecasted to remain low as compared to similar costs in the major industrialized countries. For example: 0.95 PF at 10,000 KWh annual consumption (1983)

West Germany	\$ 7.62 (Cdn. Dollars)
England	\$ 6.15 (Cdn. Dollars)
Italy	\$ 7.77 (Cdn. Dollars)
France	\$ 5.06 (Cdn. Dollars)
U.S.A. (N.Y. State)	\$ 12.68 (Cdn. Dollars)
Ontario	\$ 3.46 (Cdn. Dollars)

TAXES:

For manufacturing and processing firms, the rate of corporate income tax in the Province of Ontario, Canada, is significantly lower than that in both neighbouring American states and Canadian provinces. Additional details are available on request.

THE ECONOMIC DEVELOPMENT DEPARTMENT

The Economic Development Department of Hamilton-Wentworth welcomes your inquiries. Whether you are planning a new investment in the Region or expanding an existing one, we can be of assistance.

Our staff have knowledge in areas as varied as tourism and convention planning, joint ventures or licensing arrangements, and site selection. The Department maintains an inventory of vacant land, existing buildings and investor opportunities.

While the most important investors in Hamilton-Wentworth are already here, staff are intent on expanding that list. Therefore, an international clientele is being actively pursued. Companies from such diverse origins as West Germany, France, Italy, Hong Kong, Japan and of course the United States are in continual contact with us. Their range of interests extends to establishing manufacturing plants, regional or head offices or forming joint ventures with Hamilton-Wentworth firms, as well as major commercial projects.

Alternatively, the Department is interested in assisting companies to export or to replace imports. In the same vein, Hamilton-Wentworth companies may be interested in licensing their products to national or international firms. We can be of help in that area as well.

A number of brochures exists in the Department. They include a detailed **Profile** of the economics and demographics of the Region, a pocket sized summary of the profile, a pamphlet on how to set up your **Business Plan**, a **Joint Venture and Licensing** brochure, and the **Business Directory**. They are all available at the Regional offices. We will arrange appointments with government agencies so that business can more easily access support initiatives as set out by the respective governments. Additionally, the Department distributes pamphlets and brochures issued by the federal and provincial governments, area municipal literature, information pieces from McMaster University and Mohawk College of Applied Arts and Technology and important information on **Starting a Business in Hamilton-Wentworth** compiled by the Hamilton and District Chamber of Commerce.

The Department maintains a positive liaison with industrial/commercial/investment realtors, financial institutions, government agencies and key individuals in the business community. We respond promptly and accurately to business queries. Absolute confidentiality is maintained and the service is without charge. In summary, we have all the bases covered and we look forward to helping you do business in Hamilton-Wentworth.
